

□ ICIS 2012 Placement

ICIS 2012 Conference Career Placement

ICIS placement will be associated with the Association for Information Systems (AIS) on-line placement

What is AIS Career Placement Services?

The AIS Placement Services is open on a year-round basis. To facilitate matching candidates with positions

- Universities seeking to post a standardized university job listing and to browse all listings.
- Applicants seeking to post their standardized resumes and to browse all listings.
- Individuals seeking to browse only (i.e., not wishing to post a job opening or a resume/CV).

For further information [AIS Career Placement Service, please visit the](#)

AIS Placement Activities

During the ICIS 2012 conference, facilities will be provided to assist the meetings of applicants and universities

Private Placements Booths

Private placements booths [here](#) are available for purchase. Please complete the private placement booth form

Open Complimentary Tables

Open complimentary tables are available onsite for all institutions who have paid and posted a position
